

Metropolitan Washington Airports Authority
Office of Public Safety
Fire and Rescue Department
Fire Code Enforcement Division
Blasting Permit

MINIMUM REQUIREMENTS

1. Copies of blasting records shall be submitted to the Fire Code Enforcement Division no later than 48 hours after blasting.
2. A separate permit is required for storage of any explosive, ammunition or blasting agent on MWWA property.
3. All vehicles transporting explosives and/or blasting agents shall comply with the requirements of BATF Rule #77-24 as listed in 27 CFR 55.213.
4. The Fire/Rescue Department Emergency Communications Center shall be notified at least ten (10) minutes prior to any blast. **(703) 572-2100**
5. Blasting contractors shall comply with all Federal, State, and Local Laws, ordinances and regulations including the MWWA Construction Safety Manual.
6. All blasting shall occur between sunrise and sunset ONLY.
7. Where required, copies of seismographic reports shall be submitted to the Fire Code Enforcement Division no later than 48 hours after blasting.
8. Failure to comply with the requirements of the Blasting Permit or any Federal, State or Local Law, ordinance and/or regulation will result in the issuance of a summons and the blasting operation will be stopped.

I AGREE TO COMPLY WITH THE REQUIREMENTS OF ALL THE ITEMS STATED ON THIS APPLICATION AND HAVE NOT GIVEN ANY INFORMATION THAT IS NOT TRUE AND ACCURATE.
