## Don't Miss Your Chance to Pull A Plane!

*Teams Needed for Dulles Plane Pull on Saturday, October 3*

Come test your strength—and support Special Olympics Virginia—at the 17<sup>th</sup> Annual Dulles Day Family Festival and Plane Pull on **Saturday, October 3** at Washington Dulles International Airport.

At the Plane Pull, teams of 25 people play tug-of-war with a FedEx jet. The team that can pull the aircraft 12 feet the fastest wins! This is a fun group competition so there's no need to hit the gym. Prizes are also awarded to the teams with the lightest group weight and the best team spirit.

Registered teams must raise a minimum of \$1000—that's just \$40 per person—to participate. All proceeds benefit Special Olympics Virginia, and the team who raises the most money above the \$1,000 minimum entry fee also wins a prize.

If you want to help Special Olympics Virginia, but pulling large objects isn't your cup of tea, then sign up as a volunteer, an event sponsor, or simply come enjoy the day. The Dulles Day Family Festival and Plane Pull features live music, a car show, aircraft displays, business exhibits, and children's games and entertainment. Admission and parking are FREE.

Teams and volunteers may sign up through our website at [www.planepull.com](http://www.planepull.com). For more information, please visit this website or call 703-359-4301.
