Changes to Airline Locations at Reagan National Air Canada, Northwest and Frontier Will Relocate

Customers of Air Canada, Northwest and Frontier should take note of changes taking place soon at Reagan National Airport. On these dates the following airlines will commence operation of ticket counters and gates at new locations:

<u>Effective Date</u>	<u>Airline</u>	<u>Old Location</u>	<u>New Location</u>
Tuesday, December 15	Air Canada	Terminal B	Terminal A
Thursday, December 17	Northwest	Terminal A	Terminal B
Thursday, December 17	Frontier	Terminal B	Terminal A

Signage will be changed on the effective dates to reflect the changes. Since Northwest is combining operations with Delta Air Lines, Northwest signage will be removed. Beginning December 17, passengers on Northwest flights should follow signs to Delta Air Lines which is located in Terminal B.

This map reflects the new airline locations once these changes are complete:
